

FER-163.

Figure 2. Location of faults mapped by selected workers.

-  Faults shown on 1976 Special Studies Zones map (segment in Section 8 after Wilt, 1958; remaining segments after Nason, p.c., 1974).
-  Koch (1933).
-  Manning (1973).
-  Boundary of existing Special Studies Zones.
-  Oil-producing areas.
-  Abandoned oil wells in or near oil-producing areas.
-  Localities described in text (see "Field Observations").
